On The Cover

Thanksgiving. We all have many things to be thankful for. This great hobby of ours brings many wonderful people together to share in the enjoyment of flying and building. I am thankful to have had the opportunity to share this hobby with my dad, Don Cullison. We enjoyed building and flying together for several years before his passing two years ago.

Be thankful for the time we have together!

(Note: Depending on the outcome of the elections, this may be my last newsletter. Mark Cullison, Editor)

The Temple Aero Modeler

President's Report

For the benefit of those that were not able to be in attendance at last month's meeting, I made the announcement that I have accepted the position of Associate Vice President for District 8 of the AMA, which was recently offered to me by District Vice President, Jim Rice. In this regard I will not be seeking re-election for Club President. I feel that my new position in the AMA will keep me busy enough.

It was an honor and a privilege to have served as your Club President this past year and Vice President before that. I will certainly continue helping out where and when I can.

The Club will be needing officers for the next year. We need members to step up to the plate and offer to be an Officer. The Club doesn't run by it self and in order for our Club, let me correct that, Your Club to continue to prosper and remain viable we need Officers to take over the Helm. If you are interested please let Buster Hinkle or Mark Cullison know.

This will be my last newsletter, I hope you have enjoyed them or perhaps you are saying thank goodness; anyways I have enjoyed putting them together. Throughout this past year, I have always tried to encourage members to lend a hand and help out. We need to be mindful of this request and to continue with our volunteer efforts.

It's easy to take the position 'I pay my dues to fly not to work'; well, you would not have a field to fly from if people didn't give up some of their time other than to fly to lend a hand and help out. Like I have said time and time again, the Club doesn't run by itself and we don't pay anyone to run it.

And speaking of lending a hand and helping out, I can't thank those members enough that have helped the club out during my tenure as President and Vice President these past several years. Helping out on the tree trimming project, Cub Scout Fly-ins to answering the call for grass cutting, to name but a few. Those members that have helped out know who they are and you have my gratitude, and for those that have not helped out in the past, you know who you are and you should look towards the New Year as an opportunity to do your part and help out.

A couple of events remain on the calendar for the Club. On Sunday, December 2nd the 'Don Cullison Memorial Christmas Toy Drive'; bring an unwrapped toy for a Landing Fee. We will also be featuring a 'Poker Fun Fly' with a \$10 entrance fee to participate with raffle prizes given to participants, and winner takes all for highest card hand. Great food for all participants, spectators and visitors, provided and cooked by Randy Mennen and Larry Macie. Be sure to come

out and enjoy some flying and some great cooking. Start time is 11am.

On Monday, December 10, with a 6:30pm start, our Annual Christmas Club Banquet and Chinese Christmas Gift Exchange takes place, please see article in the newsletter for more details

As we close in on the upcoming Holiday Season, I want to extend my best wishes and regards to you and your families for the very best. I hope Santa will be good to you and that new plane is waiting under the tree Christmas morning.

Hope to see you at the field on December 2nd and the Banquet on the 10th.

Respectfully submitted,

Doug Staines
President

Chinese Gift Exchange

(Ed. Note: This article was reprinted from last year's newsletter)

This year will be the 14th time we play Chinese Christmas. It has always been a lot of fun. Everybody who wants to play needs to bring a \$5 to \$10 unmarked wrapped gift. Usually men bring a man's gift, women a woman's gift, kids a kid's gift. All the gifts are placed on a table with everybody's chairs placed in a big half circle around the table so everybody can see. All the gifts are counted, then that many numbers are placed in a can. You reach in and draw out a number, which determines when it is your turn to steal a gift or open one. For instance, if there are 43 gifts, the numbers 1 through 43 are in the can on little round stickers. If you draw the sticker with the #1, you go first. Open any gift, show everybody what it is, then put your #1 sticker on it. The person with #2 can steal that gift or open another gift. If you steal a gift you give the number that you have to that person, then that person can steal a gift or open one and put the sticker on it. Every time a gift is opened it gets the sticker put on it that was called out. After a gift is stolen 3 times it is frozen, no one can steal it any more. So whoever has #43 can steal any gift that is not frozen or open the last gift. Then the #1 person has a choice to swap their gift with any gift that is not frozen. If a gift is stolen that person cannot steal it directly back. Another gift has to be stolen or opened. Through the years husbands and wives have learned to team up to get what they want. It is a lot of fun. If you have any questions call or e-mail me or ask some of the old club members.

Don Cullison Memorial Christmas Toy Drive/Fly-In (and Poker Fly)

Our annual toy drive is quickly approaching. The event is scheduled for Sunday, December 2nd, beginning around 11am. The entry fee is a new unwrapped toy. The field will be open to fly whatever you bring, no competition of any kind will occur. B.W. Ponder will be the Contest Director for the event.

Along with the Toy drive/fly-in we will have our delayed "Poker fly" contest. Bring \$10 entry fee to join in on the fun. Highest card hand at the end of the contest wins the pot. Pilot prizes will be given away. Great food will be provided free of charge! Don Mondrik will be the Contest Director for the event.

The combined event starts at 11am.

Christmas Banquet

(Ed. Note: This article was reprinted from last year's newsletter)

Believe it or not, the year is almost gone and it's time for the club's annual Christmas Banquet! This year our banquet will be held on Monday, December 10th at Western Hills Church of Christ beginning at 6:30 PM. The church is located at the Northwest corner of IH35 and West Adams (see the map included elsewhere in this newsletter). We will be in the same room that we used last year, which is located in the Northeast corner of the complex.

For those that haven't attended before, we'll start the evening with a pot-luck dinner. The club will provide drinks, plates and utensils; club members just need to bring a dish of goodies and a big appetite. Voting for club officers for next year will occur during a brief business meeting, so it's important for every member to attend. The evening will end with a Chinese gift exchange, which is always a lot of fun for all. Everyone who wants to participate in the gift exchange should bring a wrapped gift in the \$10 dollar range. Bring your family and friends and join us in celebrating the end of another great year!

See you there!

>>NOTICE<<

During the months of November, December and the first week of January, anybody crossing the east fence will be required to wear a "blaze orange" safety vest. Our neighbor will be deer hunting this season so all members need to wear them at all times whenever we visit his property to retrieve downed aircraft. Doing so is in everybody's best interest. Let's continue the good neighbor tradition!
